

Christensen
Communications Company
"Where service is our most important product."

Computer Repair & Services

Christensen Communications Company offers computer networking, service & repair for both business and residential customers. The following is our guideline of services and fees.

Computer Diagnosis \$29.00

Let CCC's computer repair team determine the problem before committing to any repair cost. This fee is waived if a repair is agreed upon.

Computer Networking \$45.00 per hour

Let CCC do your network wiring! Materials not included.

PC Format & Reinstall of Windows \$75.00

Additional charges apply for file recovery.

Premium PC Clean-up \$75.00

This service includes scanning and removing any viruses, spyware, and other harmful malware to get your computer "bug free".

Maximum PC Clean-up \$89.00

This service maximizes your computers speed and efficiency by removing unwanted programs, software, viruses and spyware. We will also add the latest updates to your Windows operating system.
